At Grove Vale we expect all pupils to have at least 96% attendance or above.

I am on the door every Tuesday monitoring late arrivals and I may visit your home if your child's attendance becomes a persistent absent !

If you need any help or support regarding your child's attendance or punctuality please do not hesitate to come and talk to myself or the school attendance officer.

# Why work with school?

**It is important for your child/children that both home and school work together to ensure that your child/children have the skills, training and education to have the best future possible.**

**However as a school we  
realise that challenges  
arise and we want to be  
able to support you and  
your family for a bright and**

**happy future.**
