Parking

Over the last few weeks we have witnessed too many examples of dangerous parking during drop off and pick up times. Can we please remind you:

Not to park on pavements

Not to park on zip zags, double yellow or single yellow lines

Not to park at junctions or corners

Please do not turn around at the entrance to school

Please do not park on residents drives or blocking driveways

We will be asking both police and local parking enforcement officers to regularly visit the area during the morning and at the end of the day to help us monitor and put a stop to dangerous parking.

No head teacher wants to write to parents about a car accident involving a child however we feel that if some parents parking continues it is only a matter of time! Only this week at a local secondary school a child was injured after being hit by a car. We thank you for your continued support and ask that we keep our children safe and park responsibly. If poor parking continues we will start making a note of car registrations and pass these onto the police.
